(nature and quantity of works, supplies or services or indication of needs and requirements)

This tender is aimed at appointing a Contractor, or Syndicate, that can supply Passenger Transportation Installations to all Schiphol Capital Programme projects.

Of all Capital Programme projects, the new pier and terminal will need the largest number of Passenger Transportation Installations. However, as the designs for the new pier and terminal are still being drawn, the exact volume of Passenger Transportation Installations needed is yet unknown. It is estimated that the new pier only will entail approximately 75 systems – more specific information about this will be available before the award phase of this tender starts and will thus be included in the Request for Proposals. As for the volume required for the new terminal and the remaining Capital Programme projects, this will remain an estimation during the execution of this tender procedure that will be included in the Request for Proposals
