

AMSTERDAM AIRPORT SCHIPHOL CAPITAL PROGRAMME

MARKET CONSULTATION to

Generate exposure, to increase interest and to receive feedback for drafting the tender documents for the construction of the new terminal building of Amsterdam Airport Schiphol

Date: 31 August 2018

1. Date of publication feedback report from the market consultation

SNBV was planning on publishing the feedback report from the market consultation for the new terminal building on TenderNed on the 31st August 2018, unfortunately this will no longer be possible due to time constraints. SNBV will ensure that the feedback report will be published prior to the first tender being published on TenderNed.
