SECTION II: OBJECT OF THE DESIGN CONTEST/DESCRIPTION OF THE PROJECT

II.1 DESCRIPTION

II.1.1 Title attributed to the design contest/project by the contracting authority/entity

Design contest for an applied technology institute (Amsterdam Metropolitan Solutions)

II.1.2 Short description

The purpose of this design contest is to solicit plans and designs from participants wishing to realize a technical institute (with AMS Institute as working title). This Institute should help in the realization of a number of goals the City of Amsterdam wishes to achieve.

The key target group for this design contest are knowledge institutions and companies conducting R&D in technology. The focus for this stage in the process is on the development of the content of the envisioned institute, and not on the (physical) realization of an institute or building. Whether a physical building will be realized is up to the winning participants.

A prior information notice on this design contest has been published on March 7 2013, with publication number 2013/S 050-081824.
