7. Handling and storage

Handling

Storage

At room temperature in original packaging.

8. Exposure controls/ personal protection

Precautions for use

Respiratory protection

Not required.

Gloves and protective clothing

Not required.

Eye protection

Not required.

Occupational exposure limits

The product does not contain any substances mentioned in EH40/2000 Occupational Exposure Limits 2000.

9. Physical and chemical properties

Appearance: liquid

Odour: neutral

pH (concentrate): approx.8,5

Density: approx. 1,02g/cm³

Viscosity: approx. 450cp

10. Stability and reactivity

The product is stable if used in accordance with supplier's instructions.

11. Toxicological information

Acute

Inhalation

None

Ingestion

Ingestion may cause discomfort.

Skin contact

None.

Eye contact

May irritate the eye.

Long-term effects

12. Ecological information

Based on current criteria the product has been estimated not to be damaging to the environment. Avoid discharge into drains or surface water.

13. Disposal considerations

Contact the local waste authorities.

14. Transport information

The product is not comprised by the rules of dangerous goods.

15. Regulatory information

Hazard designation:

Other labelling

Chemical safety assessment

16. Other information

Restrictions on use

None.

Training requirement

None.

Sources used

Other information

This safety data sheet was prepared on the basis of information from the supplier on the product (e.g. material data sheets and the like).

Full text of the R-phrases that are stated in section 3.

R38 Irritating to the skin.

R41 Risk of serious damage to eyes.
