II.1.4) Short description of the contract or purchase(s)

In order to be able to maintain her to be acquired Gulfstream G-650 airplane, the RNLAf has a requirement for technical (type) training courses for her maintenance crew. In first instance the current maintenance crew needs to be trained so they are able and certified to maintain the new airplane when it will be operational by the end of 2021. For this EASA 147 approved B1 and B2 type training is required. For the consecutive year(s) maintenance staff have to remain current, for with recurrent (refresher) training is required. Besides type training also some general technical training on the G-650 is required. The RNLAf intends to award a contract for 2 years with two option years.
