

This architectural floor plan depicts a large, rectangular hall, likely a school or institutional building. The central feature is a large rectangular area with a grid of 10 columns and 8 rows of windows. The hall is surrounded by a thick wall with numerous small, rectangular windows. On the left side, there are two sets of stairs: one at the top left corner and another at the bottom left corner. On the right side, there is a single set of stairs at the top right corner. The plan also shows various internal partitions, doorways, and structural columns. A large 'X' mark is visible in the top right corner, and another 'X' mark is in the bottom right corner. The overall layout is symmetrical and functional.
