#### II.1.4) Short description

Project Invest International under construction, will be a new state participation that, based on a 'one-stop shop' approach, will help Dutch businesses to develop and finance projects beyond their own national borders.

Project Invest International under construction, wants to be unburdened for the implementation of the primary processes and the standard ICT package solution (s) that is / are used. On the one hand, this includes unburdening IT, namely by requesting a standard IT package solution 'as a service' for each parcel. This part is a Requirement for all lots. Invest International is also curious about insights into the extent to which suppliers can further unburden the organization. This could be possible through support for the implementation of primary processes, also known as "Business Process Outsourcing" (BPO).
