II.1.4) Short description

The RDW plays the role of 'toll-charging institution' for the ViA15 and Blankenburg connection toll sections. The Dutch Ministry of Infrastructure & Environment is working on the realization of two new motorway sections, the ViA15 and Blankenburg connection. These motorway sections will be financed by toll charges. The RDW may be given the role to outsource on behalf of the Dutch Ministry of Infrastructure & Environment as the intended 'toll-charging institution', the RDW intends to outsource: the observation, identification and classification of passing motor vehicles and the provision of these passage data to RDW's back office system.

The RDW wishes to gather market information on the solutions needed and invites you to participate should you be in this line of business by. In order to participate and to receive documentation, please send a short email with your name, telephone number, organization and email to sjaarsma@rdw.nl
