

Architectural drawing of a floor plan. The drawing shows two rooms, each labeled "BETONPLAAT". A section line "A" is indicated on the left side. A circular feature, possibly a well or a small room, is shown in the lower right room. The drawing is a technical sketch with dashed lines indicating boundaries and solid lines for walls and openings.

Technical drawing of a concrete slab (BETONSLÄT) showing dimensions and annotations. The drawing includes a plan view and a cross-section view. The plan view shows a rectangular slab with dimensions 400 x 500. The cross-section view shows the slab thickness and internal reinforcement details. The drawing is labeled with dimensions and annotations in Finnish.

Dimensions and annotations:

- Overall dimensions: 400 x 500
- Internal dimensions: 150, 55, 50, 45, 5, 71, 50, 4, 8, 200
- Annotations: ANKERSTANGEN AFRÄNNEN I V H BETONSLÄTEN
