(nature and quantity of works, supplies or services or indication of needs and requirements)

Given the nature and estimated scope of the Contract, the Contracting Party follows a European public tendering procedure in accordance with the Public Procurement Act. The public procedure means that the qualification and awarding process take place in a single phase, albeit that various actions are undertaken within this procedure (such as a verification of the non-applicability of the Grounds for Exclusion, compliance with the Eligibility Requirements, a verification if the Tender complies with the requirements and an assessment of the Tenders on the basis of the Award Criteria).

The purpose of this public procurement procedure of Contracting Party is to award the Contract to one supplier, taking effect after successful acceptance tests.

The Award Criterion for this tendering procedure is: the best price.
