

Memorandum of Information July 9, 2021

This Memorandum of Information concerns a correction to the Tender Document "IJV_20210702_Tender Document Expert Support soil and metocean_F"

Paragraph 5.3 of this document should be replaced by the following:

5.3 Award criteria with respect to Pricing

By completing the Annex 4 'Prices/rates' for the lot Tenderer applies for, Tenderer gives hourly rates for senior, medior and junior experts to be charged for this contract.

Maximum number of points	Assessment criteria
30	Price will be assessed based on the ratio between the • hourly rate senior expert excl. VAT (80%) and the • hourly rate medior expert excl. VAT (10%) and the • hourly rate junior expert excl. VAT (10%) This will result in P : $P = (\text{hourly rate senior expert} \times 0.8) + (\text{hourly rate medior expert} \times 0.1) + (\text{hourly rate junior expert} \times 0.1)$ Score will be determined with the formula: P between € 94,00 and € 166,50 excl. VAT: score between 0 (zero) and 30 points, in which score = $30 - (30 / (166,5 - 94)) \times (P - 94)$. P < € 94,00 excl. VAT or > 166,50 excl. VAT means exclusion from the procedure based on the requirement in paragraph 3.6.3 of this document.
	<i>*In case</i> Tenderer offers hourly rates for senior and medior only, the formula will be adjusted as follows: Hourly rate senior expert 80% Hourly rate medior expert 20% $P = (\text{hourly rate senior expert} \times 0.8) + (\text{hourly rate medior expert} \times 0.2)$ Score will be determined with the formula: P between € 96,00 and € 169,00 excl. VAT: score between 0 (zero) and 30 points, in which score = $30 - (30 / (169 - 96)) \times (P - 96)$ P < € 96,00 excl. VAT or > 169,00 excl. VAT means exclusion from the procedure based on the requirement in paragraph 3.6.3 of this document.
	<i>*In case</i> Tenderer offers hourly rates for senior and junior only, the formula will be adjusted as follows: Hourly rate senior expert 80% Hourly rate junior expert 20% $P = (\text{hourly rate senior expert} \times 0.8) + (\text{hourly rate junior expert} \times 0.2)$ Score will be determined with the formula: P between € 92,00 and € 164,00 excl. VAT: score between 0 (zero) and 30 points, in which score = $30 - (30 / (164 - 92)) \times (P - 92)$. P < € 92,00 excl. VAT or > 164,00 excl. VAT means exclusion from the procedure based on the requirement in paragraph 3.6.3 of this document.
