Services

II.1.4) Short description

This publication concerns a Market Consultation for the purchase of an Expert for EIARD support. With this we, Wageningen University and Research (hereinafter WUR), want to obtain information from the market that can help us market this consultancy for EIARD support.

EIARD is a permanent policy coordination platform which aims to promote and implement coherent European policies at international, regional and sub-regional levels in order to increase the impact of agricultural research for development. The Expert will provide technical assistance to the EIARD Secretariat for 3 years.

Our goal of this market consultation is:

Assessing interest and opportunities in the market for the proposed tender.

Improving the quality of the eventual tender and thus the chance of success.

The information provided by participants in this market consultation will be treated confidentially.
