Background information In 2019, the Dutch Ministry of the Foreign Affairs (NL MFA) has launched PROSPECTS, a multiannual hybrid project/partnership between five multilateral organisations, with the institutional goal of furthering the transformation of the ongoing responses to protracted forced displacement in some of the most affected countries in the world.

PROSPECTS brings together organisations working across the humanitarian-development spectrum: United Nations High Commissioner for Refugees (UNHCR), United Nations Children's Fund (UNICEF), International Labour Organisation (ILO), International Finance Corporation (IFC), and the World Bank (WB). The Government of the Netherlands has committed to allocate USD 558 million in total for this partnership over the course of 5 years. PROSPECTS is operational in 8 countries of the Middle East and the Horn of Africa: Iraq, Lebanon, Jordan, Egypt, Ethiopia, Sudan, Uganda and Kenya. Programmatically, it focuses on three key areas: protection, education and livelihoods, as well as all relevant cross-cutting issues. Intervention modalities and levels of operational cooperation per country are decided by the five partners, who work on the basis of the joint Multi-Annual Country Programmes (MACPs), updated on yearly basis. Country-level operations are

coordinated by the PROSPECTS Country Teams (CTs) working on the basis of country-level governance structures. The Partnership is further articulated at the global level by the Multi-Annual Global and Regional Plan (MAGRP), and operationally supported by a Global Steering Committee, which includes HQ-level representatives from all five organisations and representatives of the Ministry.
