II.1.4) Short description

The Dutch Ministry of Infrastructure & Environment is working on the realization of two new motorway sections, the Blankenburg Verbindend (BBV) and the Via 15, these motorway sections are (partly) financed by toll charges. Both schemes will be EETS toll domains. In its role as the 'toll-charging institution', the RDW intends to contract with:

Service Providers that will enable road users to pay the toll.

The RDW wishes to gather market information on the solutions and providers needed and invites you to participate should you be in this line of business.

To receive the documentation (planning is the end of September), please send a short email with your name, telephone number, organization and email to sjaarsma@rdw.nl. You will receive a confirmation after September 13th.
