II.1.4) Short description

RVO has been requested to prepare and collect all site data required for commercial developers to prepare a competitive bid for a tender to win the permit to design, build and exploit.

Commissioned by the Dutch Government several contracted enterprises (geotechnical contractors) will carry out the geotechnical investigations required to obtain the soil information at the offshore wind farms in the Netherlands. For this tender RVO requests the services of Client Offshore Representatives to be present at the vessels or site of the geotechnical site investigations in order to monitor the services by the geotechnical contractor.
