

**Memorandum of Information concerning the market
consultation:**

**"The purchase, installation and maintenance of
an HF radar system for current measurements
in the Western Scheldt at the Zuidergat area."**

Date: May 25, 2021
Version: 1.0
Status: Definite

This is the Memorandum of Information (hereafter called MoI) belonging to
aforementioned market consultation. This MoI consists of questions and answers
about the market consultation document. RWS-CIV emphasizes that this MoI is not
a part of any tendering procedure and no rights may be derived from the
information issued in the framework of the market consultation.
