

Discover Breda University of Applied Sciences

About us

- > Since 1966, formerly known as NHTV Breda
- > International and highly qualified staff
- > Interactive and student-centred teaching style
- > Offering professional and academic bachelor's and master's programmes
- > Some 7,000 students from over 80 countries
- > More than 30,000 graduates
- > Green campus nearby the safe and pleasant city centre of Breda
- > Only 100 km from both Amsterdam and Brussels

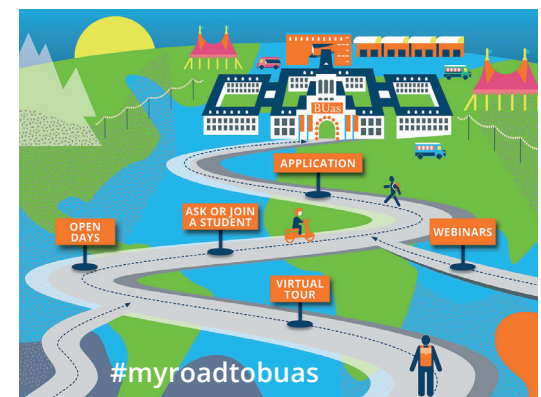

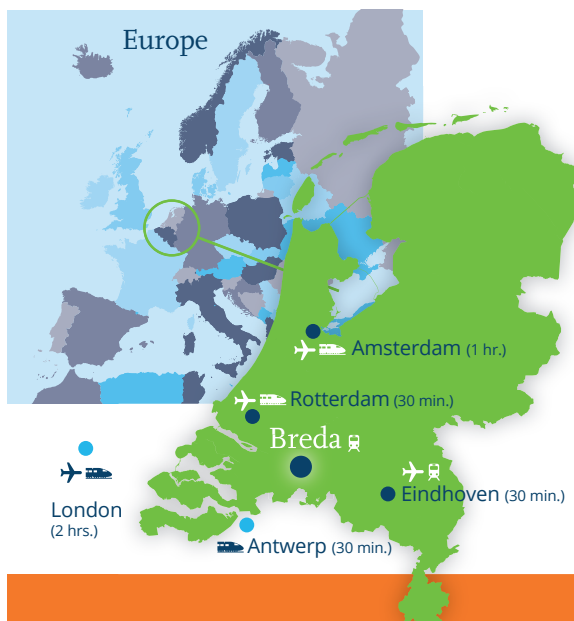

You choose us because...

- > **quality is important to you.**
We are internationally accredited by amongst others the UN World Tourism Organization, the World Leisure Organization and the International Facility Management Association.
- > **you want the best.**
We cooperate with businesses which are at the top of their field. You can get work placement positions at some of the big names such as Samsung, Disney, Google, KLM and Hilton.
- > **it is affordable.**
We are a government-funded institute, which means that our tuition fees are comparatively favorable. We offer scholarships for both bachelor's and master's programmes.
- > **you are an international citizen.**
In our large international network we cooperate with other universities and companies in education and research. This means a lot of opportunities abroad.
- > **you do not want to be a number.**
We are a small-scale university of applied sciences. Lecturers know you by name and are easily accessible for consultation or advice. We encourage you to start your own business.

What about the costs?*
