## **II.2.11) Information about options**

Options: yes

Description of options:

The agreed Services in Phase I must be completed by 31st of December 2022. The duration of the contract for Phase I can be extended twice by Contracting Authority with each time a maximum of six months.

The Contract provides for a 'go/no go' moment at the end of Phase I on 31st December 2022. At that moment, the Contracting Authority may terminate the Contract for Services without performing Phase II in the event that financing of the construction will not be facilitated by the Dutch State, or if the Contractor is deemed unsuitable for performing Phase II, to be determined at the discretion of the Contracting Authority. In this case activities of Phase I that not have yet been completed, will be terminated immediately unless the Contracting Authority decides otherwise. In case there is a positive decision by the Dutch government regarding the continuation of the PALLAS-project, the advising activities of Phase I can continue in Phase II. The agreed Services in Phase II will be performed during a period of four years. The Contracting Authority has the possibility to extend the duration for Phase II, subject to a three-month notice period, until the completion of the reactor.

## SECTION VI: COMPLEMENTARY INFORMATION

### VI.3) ADDITIONAL INFORMATION

We have wrote (above) in section V.2.4 about:

- The Initial estimated total value of the contract is 1.00 EURO. This is because at that time the value of phase I of this Contract for Services is estimated to be between EUR 90,000 and EUR 150,000 excluding value-added tax, including all Contractor's cost. No rights can be derived from this estimate. The value of phase II of this Contract for Services will largely depend on the term and complexity of the subject matter of the Contract for Services. In view of European case law on increases in value during the operation of a contract, a maximum overrun of up to EUR 4 million has been stated at the time of publication. No rights can be derived from this estimate either.
