Amendments and supplements to tender documents by the client

The following changes have been made:

At the request of interested parties, GVB has again extended the period for registration.

The deadline for receipt of tenders under 3.2 of the Tender Guidelines is replaced by 15 November 2021 at 13:00 hours.

Pay attention. Due to a disruption in TenderNed, it is currently not possible for GVB to move the registration date in TenderNed to November 15, 2021 at 1:00 PM. As a result, you will still see 4 November 2021 as the closing date in TenderNed. This is incorrect. The correct closing date is November 15, 2021 at 1:00 PM. TenderNed is working on a solution in close consultation with GVB. As soon as there is more clarity, GVB will inform you about this.

Expired tender documents

The following tender documents have lapsed:

- Appendix 09 Price list NVI 4-EN
- Appendix 09 Price list NVI 4

Amended or new Tender Documents

The following tender documents have been added:

- Annex 09 NVI 5-EN price schedule
- Appendix 09 Price list NVI 5

***** End of Information Memorandum*****
