II.2.4) Description of the procurement:

(nature and quantity of works, supplies or services or indication of needs and requirements)

The intended scope is the realization, maintenance, support and operation of the SDG Publishing House. The SDG Publishing House is, in the vision of EKN, an organization that operates the Publishing House website, verifies and publishes the results of development projects, generates publicity, attracts funding for certified results (potential) donors and has a transparent governance structure. A possible outcome of the contract could be that the SDG Publishing House is set up (over time) as a separate organization. Elements of the Contract will be the design and setup and operation of the Publishing House website, to publish the unique, certified, results of funded development projects. Furthermore, the Publishing House will act as a marketplace for potential donors. In the end, the Publishing House will be able to act as a stand-alone organisation.
