II.1.4) Short description

RVO aims to publish a European tender around the end of June 2022. The objective of this tender is to conclude an agreement with a tenderer who is able to carry out geotechnical investigations at the offshore IJmuiden Ver Wind Farm Sites V & VI and two other investigation areas. The deliverables of these investigations will be published for use by the participants in the concession tenders for these offshore Wind Farm Sites.

This European tender consists of 2 lots.

The offshore campaigns for the investigation areas are planned in 2023.

For your reference, some finalized geotechnical deliverables for other areas are published here
