-

II.1.3) Type of contract

Services

II.1.4) Short description

Due to the COVID-19 pandemic, remote working and learning became widespread across TU Delft. Naturally, this led to an increase in the number of digital assessments conducted as well. We want (1) to make sure TU Delft has proper contract management for the tools/ platforms used for learning and digital assessment and (2) by offering high-quality learning and digital assessment tools for lecturers and students.

The goal of this market consultation is to explore existing suppliers and their offering in math assessment and to determine what the best solution would be for the TU Delft. The consultation is not intended as an extensive list of requirements however it will assist if a single solution or multiple solutions will meet the demands of TU Delft.
