Toelichting:

Ref.nr. **Onderwerp:**
1 Requesting remaining project documents

Vraag:

We would like to request the remaining tender documents. For this we have a signed copy of your Non Disclosure Agreement that we can upload to TenderNed. We would however first like to verify that this is enough to provide us with the requested tender documents or that further upload of additional signed documents (Award Contract Agreement and the UEA) in this stage is compulsory in order to receive the complete set of tender documents. We kindly ask you to clarify this for us.

Antwoord:

Dear,

Please upload the following documents:

- filled out and signed NDA
- filled out and signed UEA
- ACA (signed for approval / no objection)
- General terms & conditions (signed for approval / no objection, including any observations)

I trust this answers your questions.

If you have any further questions or observations, don't hesitate to contact us.

With Kind regards,
Mark

PS we are also available by phone or e-mail.
