Due to obsolescence of our current binoculars, Ednar 6x24, the Netherlands Ministry of Defence (NLD MOD) has the intention to procure new binoculars. This RFI is part of a market survey. It is not the intention to provide a detailed proposal at this moment. In this RFI, the NLD MOD informs the market about our current challenges, invites and encourages the market to provide us with information and solutions that would help the NLD MOD address these challenges.

The NLD MOD wants to gather as much information as possible concerning possibilities and restrictions in the vendor market and the available solutions.
