If the CONTRACTOR, upon receipt of such notice, does not commence and thereafter continuously proceed with action satisfactory to the CLIENT to remedy such default the CLIENT may issue a notice of suspension in accordance with the provisions of Clause 13.1.
13.4	Unless the suspension arises as a result of default on the part of the CONTRACTOR, the CONTRACTOR shall be reimbursed in accordance with the relevant provisions of Section III (Remuneration) or, in the absence of such provisions, in accordance with Clause 11.
13.5	If suspension results from default on the part of the CONTRACTOR, any additional documented costs reasonably incurred by the CLIENT as a direct result shall be recoverable by the CLIENT from the CONTRACTOR.
13.6	The CLIENT may, by further notice, instruct the CONTRACTOR to resume the WORK to the extent specified.

13.7	In the event of any suspension, the PARTIES shall meet at not more than seven (7) day intervals with a view to agreeing a mutually acceptable course of action during the suspension.
13.8	If the period of any suspension not arising as a result of default on the part of the CONTRACTOR exceeds the period stated in Section I (CONTRACT) the CONTRACTOR may serve a notice on the CLIENT requiring permission within fourteen (14) days from the receipt of such notice to proceed with the WORK or that part thereof subject to suspension. If within the said fourteen (14) days the CLIENT does not grant such permission the CONTRACTOR, by a further notice, may (but is not bound to) elect to treat the suspension as either:
	(a) where it affects only a part of the WORK, an omission of such part under Clause 11; or
	(b) where it affects the whole of the WORK, termination in accordance with Clause 24.1(a).

14 TERMS OF PAYMENT

14.1	For the performance and completion of the WORK, the CLIENT shall pay or cause to be paid to the CONTRACTOR the amounts provided in Section III (Remuneration) at the times and in the manner specified in Section III (Remuneration) and in this Clause 14.
14.2	Except where it is expressly provided that the CLIENT shall carry out an obligation under the CONTRACT at its own cost, all things to be supplied or performed by the CONTRACTOR under the CONTRACT shall be deemed to be included in the rates and prices included in Section III (Remuneration).
14.3	The CONTRACTOR shall be entitled to submit invoices for items within the CONTRACT PRICE that have become due in accordance with the provisions of the CONTRACT as per the payment schedule specified in Section III (Remuneration).
	Following completion of the whole of the WORK, the CONTRACTOR shall not be entitled to receive any payment on any invoice received by the CLIENT after the time specified in Section III (Remuneration) as the latest time for receipt of invoices. Nevertheless the CLIENT may, at its sole discretion, make payment against any such invoice.
14.4	All payments contemplated under the CONTRACT are exclusive of Value Added Tax ("VAT"), which shall be charged by and accounted to the relevant tax authority by the relevant PARTY as is required under prevailing VAT legislation. Furthermore, the CONTRACTOR will comply with all applicable invoicing requirements regarding the charging and accounting of VAT.
14.5	Each invoice shall show separately the individual amounts under each of the headings in Section III (Remuneration), and shall quote the CLIENT Contract Reference Number, Title and such other details as may be specified in the CONTRACT.
	Each invoice shall be forwarded to the address specified in the CONTRACT.
14.6	Within thirty (30) days from receipt of a correctly prepared and adequately supported invoice by the CLIENT at the address specified in Clause 14.5, the CLIENT shall make payment in respect of such invoices as follows:

Upon receipt of such credit note the CLIENT shall be obliged to pay the undisputed part of a disputed invoice.
		If any other dispute connected with the CONTRACT exists between the PARTIES the CLIENT may withhold from any money which becomes payable under the CONTRACT the amount which is the subject of the dispute. The CLIENT shall not be entitled to withhold monies due to the CONTRACTOR under any other contracts with the CLIENT as set off against disputes under the CONTRACT, nor shall it be entitled to withhold monies due under the CONTRACT as set off against disputes under any other contract.
		The CLIENT may instruct an accountant designated by the CLIENT, as referred to in article 2:393, paragraph 1 of the Dutch Civil Code, to audit the invoices submitted by the CONTRACTOR to determine their accuracy. The CONTRACTOR will allow the accountant to inspect its books and documents, and will supply him with any information he requests. This audit is confidential and does not involve any more than is necessary to check the invoices. The accountant will report as quickly as possible to both parties. The CLIENT will pay the cost of the accountant's audit, unless the latter's work reveals that the invoices in question are not accurate or complete, in which case the CONTRACTOR will be liable for the cost of the inspection.
		On settlement of any dispute the CONTRACTOR shall submit an invoice for sums due and the CLIENT shall make the appropriate payment in accordance with the provisions of Clause 14.6 and Clause 14.9 where applicable.
14.8		Neither the presentation nor payment or non-payment of an individual invoice shall constitute a settlement of a dispute, an accord and satisfaction, a remedy of account stated, or otherwise waive or affect the rights of the PARTIES hereunder.
		In particular the CLIENT may correct or modify any sum previously paid in any or all of the following circumstances:
	(a)	any such sum was incorrect;
	(b)	any such sum was not properly payable to the CONTRACTOR;

The compensation and interest will be payable on demand. Interest shall run from the date on which the sum in question becomes due for payment in accordance with the provisions of Clause

	14.6 until the date on which actual payment is made. Any such interest to be claimed by the CONTRACTOR shall be invoiced separately and within ten (10) working days of payment of the invoice to which the interest relates. Payment of the invoice claiming the interest shall be in accordance with the provisions of Clause 14.6 hereof.
14.10	If the CLIENT at any time incurs costs which, under the provisions of the CONTRACT, the CLIENT is entitled to recover from the CONTRACTOR, the CLIENT may invoice the CONTRACTOR for such costs, provided always that the CLIENT may deduct the amount of such costs from any amount due, or that may become due to the CONTRACTOR under the CONTRACT.
	The CONTRACTOR shall pay the CLIENT within thirty (30) days of receipt of invoice any sums outstanding after such deduction.
14.11	For the purposes of Clause 14.10 and elsewhere in the CONTRACT, wherever a PARTY is entitled to recover from the other PARTY any costs incurred, then the amount of such costs shall be the amount of all claims, loss, damages, charges, disbursements, costs (including amounts paid to third parties), overheads and expenses directly resulting from the matter in question, but no element of profit.
14.12	The CONTRACTOR is not entitled to suspend or terminate its WORK on account of the CLIENTS's failure to pay an invoice within the stipulated time limit, or if the CLIENT does not pay an invoice because it suspects that the invoice is inaccurate or because the WORK has not been properly performed.
