- Terrorism, malevolent contamination or precautionary measures,
- Any act or conduct in preparation for terrorism, malevolent contamination or precautionary measures,

hereinafter to be collectively referred to as 'the terrorism risk', the liability to pay compensation on the part of the insurers in respect of any submitted claim to indemnity and/or benefit, shall be limited to the amount of the payment which the insurer receives in respect of said claim under the reinsurance of the terrorism risk with the NHT, in the event of an insurance with wealth creation increased by the amount of the wealth creation which has been realised under the insurance in question. With regard to life insurances the amount of the realised wealth creation shall be set at the premium reserve to be adhered to pursuant to the Insurance Industry Supervision Act 1993 with respect to the insurance in question.

2.2 The NHT shall provide reinsurance cover for the aforementioned claims up to a limit of liability of EUR 1 billion in respect of any one calendar year. The aforementioned sum shall be eligible for annual adjustment and shall apply to all insurers associated with the NHT together. Any adjustment shall be announced in three national newspapers.

2.3 Contrary to the provisions contained in the aforementioned paragraphs of this article, the limit of indemnity under this contract with respect to any insurance pertaining to:

- loss of or damage to immovable property and/or the contents thereof;
- consequential loss due to loss of or damage to immovable property and/or the contents thereof,

shall not exceed EUR 75 million in respect of any one policyholder and any one insured location per annum for all participating insurers as referred to in article 1 together, irrespective of the number of policies issued.

As such shall in any case be considered all objects insured by the policyholder which are located at a distance of less than 50 metres from each other and of which at least one is situated at the address of premises to which the insurance applies.

For the application of this paragraph it shall be provided that, with regard to legal entities, companies and partnerships which are joined in a group, as referred to in Section 2 (24) (b) of the Netherlands Civil Code, all group companies together shall be regarded as one policyholder, irrespective of which group compan(y)(ies) belonging to the group has/have taken out the polic(y)(ies).

Article 3 Payment Protocol NHT

- 3.1 The reinsurance of the insurer with the NHT shall be subject to the Claims Settlement Protocol (hereinafter to be referred to as the Protocol). On the basis of the provisions laid down in said protocol, the NHT shall be entitled to defer any payment of indemnity or the sum insured until such time as the NHT is able to determine whether and to which extent it has at its disposal sufficient financial resources in order to settle in full all claims for which the NHT provides cover in its capacity as reinsurer. Insofar as the NHT is found not to have sufficient financial resources at its disposal, it shall be entitled in accordance with the provisions in question to pay a partial compensation to the insurer.
- 3.2 The NHT shall, with due regard for what has been stated in provision 7 of the Protocol, be authorised to decide whether an event in connection with which a claim to compensation is made should be considered as a consequence of the manifestation of the terrorism risk. Any decision taken to that effect and in accordance with the aforementioned provision by the NHT shall be binding upon the insurer, policyholder, insured parties, and the parties entitled to compensation.
- 3.3 Not until the NHT has notified the insurer of the amount, whether as an advance or not, which will be paid in respect of any one claim to compensation, shall the insured or the party entitled to the payment be entitled to lay claim to the payment as referred to in article 3 (1) in this respect towards the insurer.
- 3.4 The reinsurance cover by the NHT shall pursuant to provision 17 of the Claims Settlement Protocol only apply to claims for indemnity and/or benefit which are reported within two years after the NHT has established that a certain event of circumstance is regarded as a manifestation of the terrorism risk within the context of this Clauses Sheet.
