II.1.4) Short description

The city of Rotterdam and PoR aim to be climate neutral by 2050 and thus make its contribution to the agreements made in the Paris climate agreement. With the realisation of shore power, Rotterdam wants to preserve the image of cruise ships in the centre of the city and contribute to the ambitions regarding air quality and climate. The political desire is to quickly realise the proposed shore power system for the Cruise Terminal.

Project goal and result

The goal of the project “Shore Power Cruise Terminal” concerns the commissioning of a working shore power system within budget and within the established schedule for the handling of Cruise Ships by Cruise Port Rotterdam.
