
Nota van inlichtingen Rehabilitation and Extension of Drinking Water Systems in Secondary Centres of the Concession of SOMAPEP-SA in MALI.

Aanbesteding: Rehabilitation and Extension of Drinking Water Systems in Secondary Centres of the Concession of SOMAPEP-SA in MALI.
Aanbestedende Dienst: Invest International Public Programmes B.V.
Referentie: 202102041/D2B18ML02

Toelichting:

Invest International is keeping a close eye on the political situation in Mali, and given the current developments, we decided to postpone the closing date for the submission of tenders with 6 weeks.

The closing date is postponed to the 6th of April 2022, 12.00 hrs (GMT).

Furthermore, the website of SOMAPEP provides a list of Malinese consultants: <https://www.somapep.ml/tableau-de-lordre-des-ingenieurs-conseil-du-mali/>

Please be informed that we encourage a cooperation with Malinese consultants for the fulfillment of the award criteria as mentioned in par. 5.1 and 5.2.

For further information about a possible cooperation with a Malinese consultant, Namory Keita is also available to help you further.

His contact details are:

Namory Keita
namory.keita@somapep.ml

Ref.nr. **Onderwerp:**
8 Hardcopy tender documents

Vraag:

Is also possible to submit the tender documents in hardcopy?

Antwoord:

If it is not possible to submit the tender documents online, it is also possible to submit the tender documents at the Dutch embassy in Bamako.

Please direct the documents, make sure the documents have been received by the Embassy before the specified closing date and time, to:
