

6th Memorandum of Information: Geotechnical Survey for Investigation Areas in IJmuiden Ver Wind Farm Zone, Nederwiek Wind Farm Zone and Hollandse Kust (west) Wind Farm Zone
Reference: 202206073

Date: September 7, 2022

Notification

Following the answer to question 34 in the Memorandum of Information dated august 8, 2022, the quantities for items 2.9 and 2.10 in the Annexes 4b (Lot 2) were increased. However, upon consideration this increase of quantities is not desirable. Therefore a new Annex 4b (version 7) is issued, which contains lower quantities for items 2.9 and 2.10. Please fill in this version as part of your Tender for Lot 2. The rest of the Tender documents remains the same.

Together with this Memorandum of Information again corrected versions of Annexes 4b , version 7 (V7) are published. Annexes 4b, version 6 (V6) have become defunct ("vervallen" in Dutch).
