Question	Question	Answer
1.	I was thinking of applying but saw one of the requirements "Has excellent language skills in English and Arabic, both written and spoken." And I don't speak Arabic so I want to check with you if this is the mandatory requirement for this tender.	You must meet all the stated requirements. Having excellent language skills in English and Arabic (written and spoken) is a requirement, so mandatory.
2.	Please can you clarify the information that applicants need to send to apply for the Sustainability Consultant.	The purpose of the market consultation is to identify interest of organizations available and able to carry out this assignment. You do not have to send documents (this is not a request for proposal), only send your (company) details, addresses and possibly your web address.
3.	I wanted to apply as an individual because I don't have company, and the only way to get their attention is sending my CV among a well written text which is not allowed. How can I show my interest?	You can show your interest in the assignment as an individual by sending your details (name and address) to the mentioned e-mail addresses.
