Services

II.1.4) Short description

Invest International Public Programmes (IIPP), a company of Invest International, is planning a market consultation to present its upcoming tender for Framework Agreement for Consulting Services. IIPP has been mandated by the Ministry of Foreign Affairs of the Netherlands to manage and implement its infrastructure grant funding programs D2B and DRIVE. To realize infrastructure projects, Beneficiary governments require multiple consulting studies, which can be funded from these programs; some Beneficiary governments may require IIPP to procure such services from time to time, for which it is intended to contract firms through such framework agreement. In addition, for complementing its internal resources, provide independent expertise opinion and advise Invest International on strategic issues.

IIPP is planning to publish a tender for application for consulting firms for the framework contract for a period of three years, with a possible extension to four years, to be used for contr...
