

Annex 8: Questionning Form
'Seismological Monitoring Instruments for KNMI' (reference: TN-406228)
Memorandum of Information 2

This memorandum of information thus becomes an integral part of the request for quotation and the accompanying appendices. In this memorandum of information, the submitted (anonymised) questions are listed together with the answer from the contracting authority.

Question nr.	Document	Question	Answer
1	Descriptive document and Annex 5 Pricing Sheet - Lot 2	An inconvenient error (discrepancy) has been found between the Descriptive document and Annex 5. In the Descriptive Document, the minimum price is set at €5,000. However, this differs from the amount stated in Annex 5. In the price sheet (Appendix 5) the minimum price is set at € 4,000. The correct minimum amount for lot 2, as stated in appendix 5, has been set at € 4,000. Tenderers for Lot 2 must therefore offer an amount between a minimum of € 4,000 and a maximum of € 8,000.
