

Request for proposal European tender Municipality of Huizen TN407396

We invite you to tender for the supply of **trees, shrubs and hedges**. This tender is simple. Tendering takes little time and effort. You fill in the proposal form (Excel) and mail it to us along with photos. Please let us know whether you participate and whether the request is clear.

The proposal form lists the types, specifications and desired delivery times. There are two delivery times: in January 2024 and in January 2025. You guarantee the delivery times and the correct quality and size of the products. You deliver each product with a clear label with the species name.

You provide a current photo overview of the trees you grow for us at the time of award and every 3 months thereafter. This shows that you will actually deliver the trees you are currently offering to us and that they are of the correct size. No plastic should be present in the product. The trees (with mesh root ball transplanted 3 times) have been grown and are delivered in accordance with the conditions of the Dutch Handbook on Trees or internationally comparable standards.

If patented 'branded' products are requested you can offer equivalent products.
Delivery DDP work in Huizen The Netherlands.

The lowest fictitious bid price wins the tender. In addition to prices, qualitative criteria apply where you can get a fictitious (imaginary) discount: organic label, a larger size for the same price.

We recognize that it is not possible to give fixed prices for items that will not be delivered until 2025. You therefore offer the prices as they are now - reference date May 1, 2023 - until May 2024. For delivery 2025, we will set the final sales prices based on a price index to be determined jointly.

We publish this request for tender on Tendered under 'documents'. No login is necessary. Send your quotation **before 24 May 2023** with the proposal form (Excel) to inkoop@huizen.nl. Please state in the subject line: OFFER PLANTS (please use BIG LETTERS).

We will verify the winning bid and decide which party we will award to. After that, the regular appeal period applies before we proceed with the final award. If you submit an quotation, you agree to this procedure.

Please send any questions to inkoop@huizen.nl, subject: question about plants. We will reply almost immediately via Tendered (under question and answer) and e-mail **until 12 may 2023**.

We look forward to your questions and quotation.

Kind regards,
