Ref.nr. **Onderwerp:**
1 English

Vraag:
Why is this tender in English?

Antwoord:
Because by doing so, we want to give foreign suppliers a chance.

Percelen: P1 ONE

Ref.nr. **Onderwerp:**
2 project

Vraag:
The municipality entered into framework agreements last year. Why is this contract being marketed separately from those agreements?

Antwoord:
The framework agreements do not take into account major investments and projects such as the OWA (major project in Huizen). In addition, this tender also involves products not contracted in the framework agreement.
