II.1.4) Short description

The theatre of the city of Arnhem (municipal monument) is due for renewal. The renovation includes the demolition of the stage tower, the 'back of house' and other, non-monumental, parts, the renewal of the large theatre hall and the addition of other spaces, such as a minor theatre hall and a new stage tower.

The objective is a matching, contemporary, sustainable, accessible and future-proof city theatre.

For this assignment, the Municipality of Arnhem is looking for an integrated design team with the following design and consultancy disciplines through a restricted European tender: architecture, installation technology, construction and building physics, acoustics and fire safety.

We cordially invite interested designers to participate in this tender and possibly participate in this beautiful project.
