Onderwerp:
Indexation

Vraag:
Under 3. Requirements first paragraph it is mentioned "….you will comply with all the specified prices and rates, including any agreed indexation." What is exactly meant by this because in another section (3.2, third bullet, it is mentioned "…rates are fixed and invariable for the duration of this agreement."

Organisation in country

Vraag:
Page 21, paragraph 5.3 in the Note. It mentions "... the organisation of a sector event using the FS methodology should per lot be paid for out of the day rate of the two senior consultants." What is meant by organisation? Is it the organizational work of the consultants, or does this mean the organisational work in the country of the FS (like arranging venue, a.o.). Hence, should the consultant fee include support staff costs in the country where the event is taking place? Or the material costs? Or something else?

Could this be clarified?

group link / single tender

Vraag:
Concerning 7.3.18. I am as independent consultant (zzp-er) also partner in a partnership (maatschap). Do I correctly understand that for us (the collective of consultants), there are three options to submit a proposal:

- As partnership (2 consultants for 1 lot), submitting 1 tender. The partnership is the legal entity submitting the tender.

- As a consortium, whereby 2 consultants jointly submit a tender, the submitting legal entities being the 2 zzp-ers

In addition:
- Multiple consortia could be created among consultants that are all also partners in the same partnership (e.g. 2 couples of 2 consultants - each submit a tender).

clarification on procedure for consortium of freelancers

Vraag:
7.3.14. second bullet. "In order to submit.....company". What means "...must be connected and authorised...". Please clarify the sentence. In case we submit a tender as 4 zzp-ers (for the two lots), do all 4 have to have e-herkenning and be registered in TenderNed?

Vraag:
Can you clarify the rationale behind the intention to close 3 contracts (page 6)?
(why not 1 or 2 parties, as this would enhance the efficiency of implementation - knowing CBI, streamlining organizational aspects, comparative learning, strengthening digital platforms, a.o.).

Vraag:
The tender is requested by CBI. Does a FS that was implemented for CBI in the past 3 years quality as a reference assignment (and can a respective CBI project manager sign for it).
