

Annex 8: Questioning Form

'Seismological Monitoring Instruments for KNMI' (reference: TN-406228)

This memorandum of information thus becomes an integral part of the request for quotation and the accompanying appendices. In this memorandum of information, the submitted (anonymised) questions are listed together with the answer from the contracting authority.

Question nr.	Document	Question	Answer
1	Annex 3. Draft Framework Agreement: Delivery of Seismological Monitoring Instruments (TN-406228)	3. Delivery 3.1 Annex 3. Draft Framework Agreement: Delivery of Seismological Monitoring Instruments (TN-406228). Reference is made to DDP Incoterm. As a non-EU entity, would DDP (VAT remittance not included) or DAP suffice as an alternative?	The contracting authority wishes to maintain "DDP" as a delivery condition.
