Services

II.1.4) Short description

This document is the invitation pertaining to this EBN B.V. tendering process "Market analysis services". You are invited to submit an Offer by means of this publication. Energie Beheer Nederland (EBN) is energising the transition. We are contributing to a reliable and affordable energy supply today and to a sustainable energy system for the future. We invest our knowledge, skills and financial resources to help build a sustainable energy system faster, together with our partners. We are working towards a reliable energy system in which we share the costs and benefits of the transition fairly: an energy system that works for everyone. Please see ebn.nl for more information.
