-

II.1.3) Type of contract

Supplies

II.1.4) Short description

This concerns a market consultation of Radboud University Medical Center. The Market Consultation concerns the delivery of a Camera which needs to be compatible and work with the current Electronic Microscope.

In this Market Consultation, the Contracting Authority is referred to as both organic as "UMC" and "Radboudumc".

The objective of this market consultation is to consult the market on a number of crucial aspects of the ultimately described project and the characteristics of the market in which these services are provided, following a traditional (European) tendering procedure (completely without obligation) with full disclosure and without obligations.

The information received will, if opportune, be used to shape the Schedule of Requirements for the yet to be established procedure.

II.1.5) Estimated total value

Value excluding VAT: - Currency: -
