Supplies

II.1.4) Short description

The Contracting Authority hereby invites you to participate in the Market Consultation for Thorough Decontamination Capability (CBRN) for the Dutch Armed forces.

It is not the intention that you, as an interested market party, make a detailed offer at this stage. The Contracting Authority wishes to use this market consultation to get an indication of the level of interest and opportunities in the market and which option is most suitable for the requirement.

In this tender, you will find all relevant information regarding the market consultation. If you have any questions, you can ask them in the Question & Answer module.

You have until date indicated in the planning (offer date) to participate in this market consultation.

The procedure is entirely electronic via the online tendering platform Negometrix. Further information on the use of Negometrix can be read [here](#).

NUTS code:

NL NEDERLAND

Main site or place of performance:

-

II.2.4) Description of the procurement:

(nature and quantity of works, supplies or services or indication of needs and requirements)

The Contracting Authority is preparing a tender for replacement of existing Heavy Decontamination Equipment currently in use with the Dutch Armed forces. Before publishing this tender, the Contracting Authority has decided to consult the market first. The purpose of this consultation is two-fold. On one hand to inform the market of the upcoming acquisition of new Thorough Decontamination Capability. On the other hand to determine the extent of the interested eligible potential suppliers' (hereinafter referred to as respondents) markets and to explore the market's potential to meet the replacement need of the Contracting Authority. Organizations with relevant experience and knowledge in the area of Decontamination Systems are invited to participate in this market consultation.
