II.1.4) Short description

The overall purpose of this project is to obtain a comprehensive strategy and implementation plan to involve international stakeholders in the collective action work in Aconcagua.
Partners for Water wants to build a robust business case for sustainable avocado production in Aconcagua, based on the water–food–biodiversity nexus. In this context, the international value chain –the buyers from Europe– play a pivotal role since it determines the commercial and financial conditions for purchasing fruit.
The suggested strategy for international engagement should also link with international initiatives like the Valuing Water Initiative.
Please refer to the terms of reference for a more elaborate description.
