The MOD is increasingly reliant on non-cabled cyber solutions to communicate and operate in a secure and reliable manner. These solutions are essential for command and control, intelligence gathering, and battlefield awareness.

The purpose of this RFI (Request for Information) is to gain insight into the possibilities and restrictions of the industry in terms of non-cabled Cyber capabilities (aka Cyber over RF).

This RFI is part of a market survey. It is not the intention to provide a detailed proposal.

In this RFI the NLD MOD general questions are asked of the market to gain insight in current developments. The NLD MOD invites and encourages the market to provide us with information and solutions regarding this domain.
