VI.3) ADDITIONAL INFORMATION

The implementation of the tender will depend on the underlying design of the offshore power system Hollandse Kust West beta.

Please carefully read the "procedural guide" made available on Negometrix and follow the given instructions.

The application for participation must be submitted electronically via the Negometrix e-Tendering Platform, including all required information and supporting documents.

Pre-submission of the application documents by E-Mail/post/fax is not permitted and will lead to exclusion from the tender process.

The requests to participate must be submitted IN DUE TIME and COMPLETE by the deadline (see section IV.2.2). Late submissions cannot be considered.

Incomplete sets of documents may lead to exclusion.

All documents referred to in point III.1) "Conditions of participation" in this call for tender have to be submitted. All attachments have to be submitted exclusively via Negometrix only. Please use the templates made available on Negometrix/Mercell.

In the case of a consortium, all parties of the consortium have to hand in the same documents mentioned in section III.1) "Conditions for participation".

The client is entitled to transfer the rights and obligations of the subject matter of the contract to a special purpose vehicle (SPV), irrespective of whether third parties have already participated as shareholders in this project company, or only after any transfer of this master agreement to such a project company.

If the candidate is an underwriting agency, the underwriting agency needs to meet all the requirements and suitability requirements. In case the candidate is an underwriting agency, the underlying insurers and their share of the participation need to be stated as part of the application of this tender.

An underwriting agency needs to operate independently of a broker. If the underwriting agency will be awarded the contract(s), the underlying agreement with the insurer needs to be provided to TenneT. This agreement shall be registered with the relevant authorities at the start of the participation of this tender. Next to the above, the underwriting agent needs to issue a declaration signed by the underlying insurer(s) that the underlying insurer(s) are provided with the financial means and power of attorney to execute this contract.

On the basis of legitimate confidentiality interests, the client will make the tender documents available to interested parties only after receipt of the confidentiality agreement (NDA) signed by the interested party. <https://platform.negometrix.com/Content/Tender/TenderProperties.aspx?tenderId=206378>
