2.1 Procedure

Title:	Integrated Enterprise Reporting
Description:	Invest International, as a contracting authority, intends to publish a tender with the aim of concluding a contract for development, maintenance and support of an Integrated Enterprise Reporting (IER) solution, including the transition of the current prototype. The form of the tender is not yet decided. The market consultation is preparation for the tender. After a written consultation, interviews will be organised with a select number of parties. We invite you to respond to this market consultation and would appreciate your answers to our questions (see annex 1). With this consultation, Invest International wants to get a good understanding of the (im)possibilities within the market, the level of interest and the available experience. We also want to gain knowledge of vision, suggestions and ideas of market players. Your answers will be used as input for the tender documents. Based on the market consultation, we can choose the most suitable procurement strategy and it gives the parties involved an early impression of our organisation and the goals of the IER project. If the results of the market consultation are incorporated in the tender documents, they will not be traceable to the participants of this market consultation. 0,01
