1.1 Buyer

Official name: [Invest International B.V.] ---

Legal type of the buyer: Body governed by public law

Activity of the contracting authority: Economic affairs

2. Procedure

2.1 Procedure

Title: A01.005.2023 Framework Agreement for Specialised Infrastructure Advisory

Description: As the current Framework Agreements for smaller advisory Assignments will expire at short notice, the Contracting Authority organises this tender. The Assignments under these Framework Agreements are related to technical, financial/economic and procurement advisory. The Assignments can be executed at different stages of a project; at the project application stage, but also throughout the development and procurement stages of the infrastructure project up until the closing of contracts (for execution). More information about the Work relating to the different types of assessments can be found at the Terms of Reference (Appendix 7). Maximum of 500,000 Euro per lot (5 lots) over a period of 4 years

Procedure identifier: 764a778e-9143-4bcd-a7f7-12aee285770d

Internal identifier: A01.005.2023

Type of procedure: Open

The procedure is accelerated: No

Options:

The buyer reserves the right for additional purchases from the contractor, as described here: Extension

5.1.2 Place of performance

Country: Netherlands

Anywhere in the given country

Additional information: Nederland

5.1.4 Renewal

Maximum renewals: 1

Description: One (1) extension of two (2) years.

5.1.5 Value

Estimated value excluding VAT: 500 000EUR

5.1.6 General information

Reserved participation: None

Procurement Project not financed with EU Funds.

The procurement is covered by the Government Procurement Agreement (GPA)

5.1.9 Selection criteria

Criterion:

Type: Other

Name: E1 Agreement on the tender documents and the tender procedure to be followed.

Description: The Contractor has taken note of the 'Tender Documents' and the accompanying appendices, as included in the folder 'Tender Documents'. The Contractor agrees with the contents of these Tender Documents, including the procedure followed and the description of the assignment, including the Terms of Reference (Appendix 7).

Use of this criterion: Used

Criterion:

Type: Suitability to pursue the professional activity

Name: E2 European Single Procurement Document (ESPD) (appendix 1)

Description: The Contractor completes and signs the ESPD. The ESPD is attached as Appendix 1 in the folder 'Tender Documents'.

Use of this

criterion: Used
Criterion:
Type: Other
Name: E3 Suitability requirements (appendix 2)
Description: The Contractor agrees with and meets the requirements of suitability regarding technical and professional competence as added as appendix 2 in the folder 'Tender Documents'.
Use of this criterion: Used
Criterion:
Type: Suitability to pursue the professional activity
Name: E4 Registration national professional or trade register
Description: The Contractor is registered in the national professional or trade register of the country of origin in accordance with the requirements of the country where the Contractor is located, in accordance with the relevant conditions as described in appendix 2 'Suitability Requirements'.
Use of this criterion: Used
Criterion:
Type: Other
Name: E5 The Contractor who receives the award-intention, submits the following documents:
Description: 1. Declaration of Conduct for Tendering (in Dutch: gedragsverklaring aanbesteden (GvA). 2. Tax authority statement. 3. A copy of the balance sheet from the annual accounts for the past financial year (Positive equity). 4. A copy of the profit and loss account of the past three (3) financial years (Profitability). 5. Copy of 1) liability insurance covering damage to persons and/or property and consequential loss in the unlikely event of an incident occurring during the journey and 2) insurance against business risks covering possible damage during the performance of the Framework Agreement. 6. Copy Certificate ISO 9001: 2015 or comparable. 7. Signed KYS Format (Appendix 10). 8. Filled in Self-assessment form Sustainability Code of Conduct (Appendix 13a). 9. Reference forms (Appendix 3) signed by the referent (client). 10. Sustainability or ESG Policy
Use of this criterion: Used
Criterion:
Type: Technical and professional ability
Name: E6 Program of Requirements (appendix 5)
Description: The Contractor agrees with the 'Program of Requirements' as attached as appendix 5 in the folder 'Tender Documents'.
Use of this criterion: Used
Criterion:
Type: Other
Name: E8 Arvodi 2018 (appendix 6) and concept framework agreement (appendix 16), Non Disclosure Agreement (appendix 12) and Concept Waiting Room Agreement (appendix 15)
Description: The Contractor fully and unconditionally conforms to the 'Concept Agreement' (appendix 16), the Non Disclosure Agreement (appendix 12), the concept Waiting Room Agreement (appendix 15) and the Arvodi 2018 (appendix 6). These documents are included in the folder 'Tender Documents'. This means that only the conditions applied by the Contracting Authority are applicable. The proposal of the Contractor does not refer (in part) to other

Description: legal conditions, not even if they do not contradict the conditions of the Contracting Authority. If the Contractor is unable to agree with one or more articles, he can propose alternative formulations during the question round. The Contracting Authority will indicate in the memorandum of information whether he can agree to any alternative formulations. The concept agreements are an example for all lots. Only the description and names will be adjusted per lot, not the content.

Use of this criterion: Used

Criterion:

Type: Other

Name: E9 Holding Statement (appendix 4)

Description: This Holding Statement must be validly completed and signed by the Contractor (in whatever composition). This appendix can be found in the folder 'Tender Documents'.

Use of this criterion: Used

Criterion:

Type: Technical and professional ability

Name: E10 Core competences Lot 1: Technical advisory related to water technology (appendix 2a)

The Contractor submits one reference for every described core competency in appendix 2a.

The references are related to a similar core competency in the past three (3) years. The

Description: Contractor shall use Appendix 3a - 3d 'Format Reference' for this purpose. The core competencies are: 1) Drinking Water Supply, 2) Wastewater Collection, 3) Wastewater Treatment, 4) Urban water Management.

Use of this criterion: Used

Criterion:

Type: Other

Use of this criterion: Not used

5.1.10 Award criteria

Criterion:

Type: Quality

Name: Relevant Experience

The Contractor describes in breadth and depth, based on the references submitted, its portfolio of performed Assignments regarding, using Appendix 14 for this: The Contractor's description must demonstrate sufficient knowledge, experience, and creativity to give the Contracting Authority confidence that the Contractor can perform the Assignments under

Description: this Framework Agreement successfully. The submitted answer of you will be assessed on the extent to which there is: 1. Diversity of activities/tasks/projects carried out. 2. Degree of representativeness in relation to the described projects and activities/tasks as mentioned in the TOR; 3. Geographical spread especially in the priority countries (of minor importance).

Weight (points, exact): 20

Criterion:

Type: Quality

Name: Relevant knowledge and continuity

When assessing the quality of the experts, it will be considered to what extent the (key) experts to be deployed for future Assignments have experience with similar Assignments related to the ToR and have the competencies to perform such Assignments, as evidenced by the CVs of the (key) experts (using Appendix 11 for this). Points of interests: 1. The presentation of the team to be deployed (the names, functions, and responsibilities of the (key) experts) and the explanation why they are qualified for the execution of the Assignments is limited to one (1) page. 2. CVs (Appendix 11) are limited to five (5) pages each. 3. Each submitted CV relates to one of the proposed experts in Appendix 8 'Pricesheet'. 4. The same expert's CV can be submitted for different expertise. 5. The CVs of the (key) experts include the knowledge and skills in word and writing of the English language. 6. In what way is it guaranteed that the (key) experts whose CVs have been submitted will carry out the Assignments. A maximum of fifteen (15) CVs needs to be submitted as follows: Description expertise 1: 'Drinking water supply' o Director/principal – 1 CV o Senior consultant/engineer – 2 CVs o Junior consultant/engineer/analyst – 2 CVs Description expertise 2: 'Wastewater collection' and 'Wastewater treatment' o Director /principal – 1 CV o Senior consultant/engineer – 2 CVs o Junior consultant/engineer /analyst – 2 CVs Description expertise 3: 'Urban water management' o Director/principal – 1 CV o Senior consultant/engineer – 2 CVs o Junior consultant/engineer/analyst – 2 CVs The Contractor's description must demonstrate sufficient knowledge, experience, and creativity to give the Contracting Authority confidence that the Contractor, with the proposed experts, can and will perform the Assignments under this Framework Agreement successfully.

Weight (points, exact): 50

Criterion:

Type: Price

Name: Price

Description: Fill in your price rate per function (in Euro's excluding taxes) for the fulfilment Assignment under this Framework Agreement in Appendix 8 'Pricesheet'.

Weight (points, exact): 30

information: Nederland

5.1.4 Renewal

Maximum
renewals: 1

Description: One (1) extension of two (2) years.

5.1.5 Value

Estimated
value 500 000EUR
excluding
VAT:

5.1.6 General information

Reserved
participation: None

Procurement Project not financed with EU Funds.

The procurement is covered by the Government Procurement Agreement (GPA)

5.1.9 Selection criteria

Criterion:

Type: Other

Name: E1 Agreement on the tender documents and the tender procedure to be followed.

Description: The Contractor has taken note of the 'Tender Documents' and the accompanying appendices, as included in the folder 'Tender Documents'. The Contractor agrees with the contents of these Tender Documents, including the procedure followed and the description of the assignment, including the Terms of Reference (Appendix 7).

Use of this criterion: Used

Criterion:

Type: Suitability to pursue the professional activity

Name: E2 European Single Procurement Document (ESPD) (appendix 1)

Description: The Contractor completes and signs the ESPD. The ESPD is attached as Appendix 1 in the folder 'Tender Documents'.

Use of this criterion: Used

Criterion:

Type: Other

Name: E3 Suitability requirements (appendix 2)

Description: The Contractor agrees with and meets the requirements of suitability regarding technical and professional competence as added as appendix 2 in the folder 'Tender Documents'.

Use of this criterion: Used

Criterion:

Type: Suitability to pursue the professional activity

Name: E4 Registration national professional or trade register

Description: The Contractor is registered in the national professional or trade register of the country of origin in accordance with the requirements of the country where the Contractor is located, in accordance with the relevant conditions as described in appendix 2 'Suitability Requirements'.

Use of this criterion: Used

Criterion:

Type: Other

Name: E5 The Contractor who receives the award-intention, submits the following documents:

Description: 1. Declaration of Conduct for Tendering (in Dutch: gedragsverklaring aanbesteden (GvA)). 2. Tax authority statement. 3. A copy of the balance sheet from the annual accounts for the past financial year (Positive equity). 4. A copy of the profit and loss account of the past three (3) financial years (Profitability). 5. Copy of 1) liability insurance covering damage to persons and/or property and consequential loss in the unlikely event of an incident occurring during the journey and 2) insurance against business risks covering possible damage during the performance of the Framework Agreement. 6. Copy Certificate ISO 9001: 2015 or comparable. 7. Signed KYS Format (Appendix 10). 8. Filled in Self-assessment form Sustainability Code of Conduct (Appendix 13a). 9. Reference forms (Appendix 3) signed by the referent (client). 10. Sustainability or ESG Policy

Use of this criterion: Used

Criterion:

Type: Technical and professional ability

Name: E6 Program of Requirements (appendix 5)

Description: The Contractor agrees with the 'Program of Requirements' as attached as appendix 5 in the folder 'Tender Documents'.

Use of this criterion: Used

Criterion:

Type: Other

Name: E8 Arvodi 2018 (appendix 6) and concept framework agreement (appendix 16), Non Disclosure Agreement (appendix 12) and Concept Waiting Room Agreement (appendix 15)

Description: The Contractor fully and unconditionally conforms to the 'Concept Agreement' (appendix 16), the Non Disclosure Agreement (appendix 12), the concept Waiting Room Agreement (appendix 15) and the Arvodi 2018 (appendix 6). These documents are included in the folder 'Tender Documents'. This means that only the conditions applied by the Contracting Authority are applicable. The proposal of the Contractor does not refer (in part) to other legal conditions, not even if they do not contradict the conditions of the Contracting Authority. If the Contractor is unable to agree with one or more articles, he can propose alternative formulations during the question round. The Contracting Authority will indicate in the memorandum of information whether he can agree to any alternative formulations. The concept agreements are an example for all lots. Only the description and names will be adjusted per lot, not the content.

Use of this criterion: Used

Criterion:

Type: Other

Name: E9 Holding Statement (appendix 4)

Description: This Holding Statement must be validly completed and signed by the Contractor (in whatever composition). This appendix can be found in the folder 'Tender Documents'.

Use of this criterion: Used

Criterion:

Type: Technical and professional ability

Name: E13 Lot 4: Financial/economic advisory (appendix 2d)

Description: The Contractor submits one reference for every described core competency in appendix 2d. The references are related to a similar core competency in the past three (3) years. The Contractor shall use Appendix 3a - 3e 'Format Reference' for this purpose. The core competencies are: 1) Financial Appraisal EPC, 2) Financial Appraisal PPP, 3) Economic Appraisal, 4) Modelling and 5) Audit of a financial model.

Use of this criterion: Used

Criterion:

Type: Other

Use of this criterion: Not used

5.1.10 Award criteria

Criterion:

Type: Quality

Name: Relevant Experience

Description: The Contractor describes in breadth and depth, based on the references submitted, its portfolio of performed Assignments regarding, using Appendix 14 for this: The Contractor's description must demonstrate sufficient knowledge, experience, and creativity to give the Contracting Authority confidence that the Contractor can perform the Assignments under this Framework Agreement successfully. The submitted answer of you will be assessed on the extent to which there is: 1. Diversity of activities/tasks/projects carried out. 2. Degree of representativeness in relation to the described projects and activities/tasks as mentioned in the TOR; 3. Geographical spread especially in the priority countries (of minor importance).

Weight (points, exact): 20

Criterion:

Type: Quality

Name: Relevant knowledge and continuity

Description: When assessing the quality of the experts, it will be considered to what extent the (key) experts to be deployed for future Assignments have experience with similar Assignments related to the ToR and have the competencies to perform such Assignments, as evidenced by the CVs of the (key) experts (using Appendix 11 for this). Points of interests: 1. The presentation of the team to be deployed (the names, functions, and responsibilities of the (key) experts) and the explanation why they are qualified for the execution of the Assignments is limited to one (1) page. 2. CVs (Appendix 11) are limited to five (5) pages each. 3. Each submitted CV relates to one of the proposed experts in Appendix 8 'Pricesheet'. 4. The same expert's CV can be submitted for different expertise. 5. The CVs of the (key) experts include the knowledge and skills in word and writing of the English language. 6. In what way is it guaranteed that the (key) experts whose CVs have been submitted will carry out the Assignments. A maximum of eight (8) CVs needs to be submitted as follows: o Director/principal – 2 CVs o Senior consultant/engineer – 3 CVs o Junior consultant/engineer/analyst – 3 CVs The Contractor's description must demonstrate sufficient knowledge, experience, and creativity to give the Contracting Authority confidence that the Contractor, with the proposed experts, can and will perform the Assignments under this Framework Agreement successfully.
