
Nota van inlichtingen Services of a knowledge partner for the knowledge component assignment of the Reversing the Flow programme

Aanbesteding: Services of a knowledge partner for the knowledge component assignment of the Reversing the Flow programme
Aanbestedende Dienst: Ministerie van Economische Zaken en Klimaat, Rijksdienst voor Ondernemend Nederland (RVO)
Referentie: 202306120

Toelichting:

Some questions have been submitted after the deadline. They will be answered in the Second memorandum of Information.

Ref.nr. 39
Onderwerp: Tender document RtF

Vraag:

Relationship resources and scope of work: The tender lays out a clear scope of work (3 work packages), to be covered by 200K per year across 5 countries. This means that the knowledge component can invest/spend up to 40K per country per year. Can RVO highlight their rationale for budget allocation versus the scope of the work in the tender?

Antwoord:

This question will be answered together with all other questions submitted before 11 September 2023, 12.00 noon CET in the First Memorandum of Information which will be published at the latest 19 September 2023.
