2.1 Procedure

Title: Services regarding Benin Business Champions

Description: This project aims to support lead companies in the Beninese agri & food sector aiming to start processing facilities or aiming to improve/scale up their processing capacity. The business cases of these companies form building blocks for an individual and joint capacity building trajectory. The aim is to support the companies to have strong business operations, focussing on local value addition and creation of sustainable job opportunities. Based on the capacities, identified needs and challenges of these companies, the ecosystems in which they operate will be addressed and strengthened to tackle key challenges in the business environment.
