How to provide transparency

Interacting with students helped me in my work because I had forgotten to ask myself a lot of the questions I was asking them

Interacting with students helped me in my work because I had forgotten to ask myself a lot of the questions I was asking them. It doesn't matter what stage of your career you're in, you still have to hold your work up to the light and evaluate it as objectively as possible.

“Where we're going we don't need roads”

Can you still read me?
