1.1 Buyer

Official name: Wageningen University & Research

2. Procedure

2.1 Procedure

Title: Request for Information : Software for formative assessment in Mathematics

Description: Wageningen University needs a contract for the delivery of 'Software for formative assessment in Mathematics in Higher Education'. Prior to the tender, we would like to have an overview of interested / experienced market parties. WUR is looking for standard software with proven use in Higher Education that supports WUR students in practicing their mathematical skills. This software must allow students to improve their mathematical skills by giving them infinite exercises and automated feedback on their answers.

Procedure identifier: 19b78e60-13de-42fc-b2ca-d251b610de45

Internal identifier: 2024-MER-T81448

Main features of the procedure: Wageningen University needs a contract for the delivery of 'Software for formative assessment in Mathematics in Higher Education'. Prior to the tender, we would like to have an overview of interested / experienced market parties. WUR is looking for standard software with proven use in Higher Education that supports WUR students in practicing their mathematical skills. This software must allow students to improve their mathematical skills by giving them infinite exercises and automated feedback on their answers.
