5.1.15 Techniques

Framework agreement:

Framework agreement, without reopening of competition

Maximum
number of
participants: 1

Justification

for the duration of the framework agreement: In view of the complexity of the implementation of the replacement of Pneumatic controllers on gas and pressure installations, the intended replacement is provided for in a multi-year plan. With this in mind, it is undesirable and impracticable for Gasunie to establish a regular framework contract with an 8-year term.
